We welcome new members with an interest in local or general history.

Members receive the Society's quarterly *Bulletin*, which has 16 A4 pages and contains articles, research findings, news, and reports on the Society's activities. Those who join part-way through the year will receive back issues of the *Bulletin* for the year. Members receive 20% discount on the Society's publications, whether printed professionally or in-house.

The Society organises monthly lectures and talks of local and general historical interest during the winter months and arranges visits and local historical guided walks during the summer. We also run regular Workshop sessions to share current research. Meetings are informal, so come along if you are interested in the history of your Borough.
